

IOTA PHI LAMBDA SORORITY
PHI CHAPTER

40 Irving Street,
Montclair, N. J.

May 12, 1939

Dear friend:

Phi Chapter, Iota Phi Lambda Sorority is attempting to create a Patron and Patroness Board, and would like very much to have you affiliate with us as a member of this Board. We feel that your experience, guidance and inspiration will be of great help to us.

Phi Chapter, Iota Phi Lambda Sorority has been organized since January 15, 1935, and is comprised of members engaged in business throughout North Jersey. "Iota" is a National Business Sorority, whose purpose is to encourage young women to enter that still virgin field-- commerce, with emphasis on training in business administration.

We believe that business offers splendid opportunities for achievement and advancement. Through "Iota", we hope to convince young women that knowledge and understanding of business economy is a necessary part of the cultural equipment of every well informed person, and a person who elects to make her living in the business field has not chosen a vocation less honorable than the Arts or the Professions. In this connection, we offer informative business programs and scholarships to high school girls who are interested in higher business education.

It is our desire that this Patron and Patroness Board will be a sort of coordinating Board acting in an advisory capacity only.

If possible, we would like to have you meet with us at our next regular meeting, Sunday May 21, at the Orange YWCA, 66 Oakwood Avenue, Orange, N. J. at 4 P. M., at which time, we will try to explain to you in detail more about our purpose and program.

We would appreciate hearing from you immediately in regard to this. We are enclosing a post card for your convenience in making a reply.

Sincerely yours,

Frances Johnson
(Mrs.) Frances Johnson, Program Chairman
(Mrs.) Fannie M. Downey, President
